

# SOMETHING ARTSY: CREATE A CAMP PHOTO COLLAGE

We loved seeing all your special camp photos in our #ChiPhotoChallenge! We have all been spending a lot of time looking at camp photos lately. Reminiscing in great camp memories is always a feel-good activity. So why not use this time to gather up all of your favorite camp photos and create an awesome collage or scrapbook! Hang it up on your wall or frame your collage in a stand-up frame. We can't wait to see what you all come up with!

**Need More Photos?** You can always log into your [CampInTouch account](#), click on Photos under the "Online Community" heading, and find photos going back to 2014 there. Enjoy!
