

SOMETHING ARTSY: FRIENDSHIP BRACELETS

There isn't a much campier craft than making friendship bracelets. Nothing should stop our campers from filling up their summer camp wrists with colorful bracelets and beads. If you need any help getting started here is a helpful tutorial from Ally below.

Also if you want to spread the Camp Chi Magic and participate in **Chi Does Good** with Chi Town Connection and make a **friendship bracelet for our Healthcare Professional Heroes** please contact J-Lo jlondon@jcchicago.org.
