

SOMETHING ARTSY & MESSY: SHAVING CREAM MARBLING

This is fun one that gets you messy and gives you a beautiful product afterwards.

Supplies

- Shaving Cream
- Food coloring
- Toothpick
- Paper (a few pieces any size)
- Large reusable container or pan
- Ruler
- Smock (optional, but encouraged)

Directions

1. Spray shaving cream into container/pan and try to get it to be somewhat level
2. Add a few drops of the colors of your choice throughout the shaving cream.
3. Using your toothpick, swirl designs in your shaving cream
4. Take a piece of paper and gently lay it so the side facing down is completely touching the shaving cream.
5. Gently remove the paper from the shaving cream mixture and lay it down on the surface with shaving cream side up.
6. Take your ruler and scrape off the shaving cream from the paper.
7. Let it dry and you should have beautifully marbled paper now.
